

PIMLICO MERCHANTS *Association*

ISSUE 2 | WINTER 2019

A NOTE FROM THE PRESIDENT

In case you missed it, Pimlico Merchants Association has been up to a lot. The Northwest Faith Based Partnership sponsored a field trip to Amish Country Pennsylvania to Sight & Sound to see JESUS. Tickets for youth who attended were paid for by New Solid Rock Fellowship Church (Pastor Terrye Moore). Youth workers were excited to attend for an entire weekday, which included a buffet lunch. It was a great chance for them to leave Baltimore and see how other people live.

We were fortunate enough to host Brandon Scott who did a walk through of Pimlico. A room full of PMA merchants and friends attended to welcome his arrival. The tour covered much ground including the highly celebrated Golden Garden. The Pimlico Community Development Authority and the Mayors Office recently awarded funds to spruce up the Garden! Congratulations and special thanks for all who helped make this possible! Check out our newly launched website for more pictures and stay tuned for whats in store next.
